

## ***Circle Quilts – Tornado Alley Project***

Directions are written for four center fabrics. With 12 center sections, you can make this section of the project with as few as two fabrics or as many as 12 fabrics. Large-scale prints will become lost.

### **Fabric Requirements**

Fabrics A, B, C, and D      1/2 yards per fabric

Fabric E      1/2 yard

Fabric F      1/2 yard

Background      1 yard

Binding      1/2 yard

### **Cutting Instructions** – cut all strips selvage to selvage

Fabrics A, B, C, and D cut the same from each fabric

— Cut 2 – 2" strips

— Cut 3 – 3" strips

Fabric E      cut 4 – 3" strips

Fabric F      cut 5 – 2 1/2" strips

Background      cut 2 – 4" strips  
                            Cut 6 – 2 3/4" strips

Binding      cut 110" of 2 1/2" bias strips

### **What to bring to class:**

neutral piecing thread; invisible thread – I recommend Sew Art International sewing machine with zigzag stitch capability in good working order, with power cord, and foot pedal. Open toed foot or see-through foot and extension table (desirable but not mandatory). Sharp Needles (size 80) and pins (straight for piece work)

Scissors – one pair for paper and one pair for fabric/threads

Rotary cutter, cutting ruler (1" x 6" or larger) and mat (9" x 12" or larger)

Seam ripper

Tweezers, optional but handy

Spray Sizing or Fabric Finish – I prefer Magic Spray Sizing (can share with friends)

Thread catcher and/or garbage sack

All fabrics cut and labeled as outlined above, bring all the leftovers too.

Your copy of *Circle Quilts*, is very handy to have.
