

# a Penguins Panel Quilt b

Quilt by Deb Mosa

Finished Quilt Approximately: 32-1/2" x 40-1/2" - Approximate Panel Size: 20" x 28"

**Penguins** fabrics by Exclusively Quilters - Style #3773

## **Fabric Requirements:** Based on 44" wide fabric

One penguin panel (#8969-2)

1/2 yard white (#8973-8)

5/8 yard blue (#8974-2)

2/3 yard navy (#8974-23)

1/3 yard black (#8974-8)

1-1/4 yards fabric for backing (#8971-2 suggested)

36" x 44" quilt batting

An added 1/8 to 1/2 yard is added to all yardages to account for shrinkage, straightening, cutting errors and prints that may require special cutting to get the best results.

You should protect your investment in time and fabric by making sample blocks before cutting into your fabric because Exclusively Quilters will take no responsibility for replacing fabrics.

Shops who wish to kit this design are responsible for figuring yardage for their kits if they wish to reduce yardages.

## **Cutting Directions:** All measurements based on a 1/4" seam allowance.

From the **white** fabric:

Cut four 2-1/4" x 44" strips for border

From the **blue** fabric:

Cut four 3" x 44" strips for border

From the **navy** fabric:

Cut four 2-1/2" x 44" strips for binding

Cut four 1-1/2" x 44" strips for border

From the **black** fabric:

Cut four 1-1/2" strips for border

## **Assembly:**

1. Trim the panel to 20-1/2" x 28-1/2". If your panel is not exactly this size, don't worry. The directions will not change, just the finished size of the quilt.
2. Add a 1-1/2" x 44" black strip to right and left sides of panel. Press and trim excess from these and all successive border additions. Stitch remaining 1-1/2" black strips to top and bottom of panel.
3. In the same manner as the first border, add the remaining borders in the following order:  
2-1/4" white border, 3" blue border then 1-1/2" navy border.

## **Finishing:**

1. Layer the backing, batting and quilt top. Quilt or tie as desired.
2. Prepare binding from four 2-1/2" x 44" navy strips. Sew strips together into one long binding strip. Press strip in half lengthwise.
3. Carefully trim backing and batting even with quilt top.
4. Leaving an 8" tail of binding, sew binding to top of quilt through all layers matching all raw edges. Miter corners. Stop approximately 12" from where you started. Lay both loose ends of binding flat along quilt edge. Where these two loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding together right sides together. Trim seam to 1/4" and press open. Finish sewing binding to quilt.
5. Turn binding to back of quilt and blind stitch in place.
